

# Be part of the solution...

YES WE CAN eliminate health disparities in Utah, but only through a broad public-private sector partnership that fully engages communities of color, public health officials, providers, academics, policymakers, community-based organizations, and other key stakeholders.

DON'T LET YOUR TIME AT THIS CONFERENCE GO TO WASTE! Join MHN TODAY. MHN has openings on the Steering Committee or on the working committees...

## Take action right after the conference...

### The Policy Committee

Tackle disparities through policy change and advocacy.

#### Focus for 2009-10

Ensure that health equity provisions are built into the 3 pillars of health reform: quality, access, and cost.

### The CLAS Committee

Promote Culturally and Linguistically Appropriate Services within public, private and community settings serving ethnically diverse people.

#### Focus for 2009-2010

Implement new certification law for interpreters; promote CLAS standards through educational workshops.

### The Data Committee

Promote the collection and dissemination of all data and research needed to reduce health disparities in Utah.

### How to join MHN

1. Pick the committee of interest (*at left*).
2. Identify what you or your organization could contribute to MHN.
3. Contact Eric Hu, the MHN Coordinator: [eric@cuutah.org](mailto:eric@cuutah.org) to learn more about priorities and projects.
4. Come to a meeting (*ask Eric for a schedule*) and then decide how you want to be involved.
