

Senator Lee Threatens to Shut Down the Government Over Obamacare

(KCPW–July 23, 2013) The Affordable Care Act has been a thorn in the side of republicans since it was passed in the first year of Obama’s presidency. A group of republicans, including Utah’s Senator Mike Lee are threatening once more to defund the law to stop it from fully taking affect on January 1st. KCPW Reporter Kim Schuske has this story.
