Update on MCAC	Group members discussed the upcoming MCAC budget hearing on June 17th.	<p>UHPP is going to focus on the Family Planning State Option at the meeting and speech and hearing services.</p> <p>AUCH is focusing on dental services.</p> <p>Voices will touch on enrollment simplification.</p> <p>SLCAP will discuss dental restoration.</p>
Follow-up	<p>Last month, UMP decided to put on three summits in the fall on Medicaid issues (Medicaid and Health Reform; Long-term care and Medicaid; Cost Containment/Revenue Enhancement in Medicaid).</p> <p>The summits will be 90 minutes to two hours. Each seminar will begin with a crash course of Medicaid 101. Try to use the satellite/webcast to reach all areas of the state.</p>	<p>The group decided that a 90 minute meeting in the evening is still the best approach. The group is very interested in making the satellite/webcast approach work.</p> <p>Lincoln will work to make sure UMP will figure out the satellite/webcast feasibility and logistics.</p>
Planning UMP Summits	<ol style="list-style-type: none"> 1. What dates should we aim for? 2. Who will be willing to lead what discussion? 3. Invitations? 	<p>Dates and leads for each summit decided upon:</p> <p>September 23rd—Long Term Care, (Andrew) 5:30 7pm;</p> <p>October 28th—Revenue Enhancement and Cost-Containment (Korey and Laura);</p> <p>December 9th--- Medicaid and Health Reform (Sheila);</p> <p>Leaders will be in charge of setting up the agenda, arranging materials, and lining up speakers for the meeting.</p> <p>All logistics for meetings will fall to Lincoln.</p>

		Lincoln will also prepare the Medicaid 101 (15 minutes) part of each meeting.
