Utah Governor Gary Herbert (R) and UDOH Executive Director Dr. David Patton speak at the Fourth Street Clinic on March 6, 2014.

(KCPW News) [A new poll](#) suggests that Governor Gary Herbert's Healthy Utah plan has the backing of a majority of Utahns. In fact, given a choice between adopting the governor's plan and simply doing nothing on the Medicaid expansion issue, 88 percent of respondents were in favor of the plan.
