

What is Utah's Primary Care network (PCN)?

PCN is a Medicaid waiver program that provides basic coverage to 18,000 Utahns who don't qualify for Medicaid.

Health Insurance covers...

- | | |
|---|--|
|  Primary Care |  Access to Specialists |
|  Prescription Drugs |  Inpatient Hospital Care |
|  Emergency Care |  Behavioral/Mental Health |

Primary Care Network (PCN) covers...

- | | |
|--|--|
|  Primary Care |  Access to Specialists |
|  Prescription Drugs |  Inpatient Hospital Care |
|  Emergency Care |  Behavioral/Mental Health |

FACT

PCN is NOT comprehensive health insurance.
