

8/13/09: The Intermountain Healthcare Paradigm

Jennifer Napier-Pearce

KCPW

SALT LAKE CITY, UT (KUER) - As the nation grapples with health reform, President Obama is touting integrated delivery systems - a group approach in which doctors clinics and hospitals all operate under a parent company. Earlier this summer, he singled out Utah's Intermountain Healthcare as one such model. Thursday, guest host Jennifer Napier-Pearce asks just what is Intermountain Healthcare doing right and would integrated delivery work on a national scale?
